The Catholic Church in Australia celebrates 2018 as the national Year of Youth and CHOSEN Conference will be a coming together of all Jesus Youth's to empower each other to the boldness to preach and celebrate the Christian way of life.

The Chosen Youth Conference is a national annual gathering of Catholic young people brought to you by Jesus Youth Australia. The conference allows young people to listen and hear the Shepherd's call to explore their relationship with Him. This year the Catholic Church is celebrating the Year of Youth and there couldn't be a more important time, for young people to come together to encounter Jesus in a life-changing way and to become a sign of hope to the world around us.

"Jesus Youth Australia is a dynamic movement of the Holy Spirit in our times. I've had much to do with this movement over the years, both nationally and internationally. I can assure you that Jesus Youth is a movement at the very heart of the Catholic Church's call for a new evangelisation in our times".

ARCHBISHOP CHRISTOPHER PROWSE DD
CATHOLIC ARCHBISHOP OF CANBERRA AND GOULBURN

ABOUT JESUS YOUTH

Jesus Youth is an International Association within the Catholic Church with a focus on evangelising young people and nurturing their missionary initiatives. It had its beginnings in Kerala, India, and evolved as an active part of the Catholic Charismatic Renewal of the state in the late 1970s. In 1985, the International Year of Youth, a number of youth groups came together under a single name, Jesus Youth. Gradually, Jesus Youth spread to different parts of India and to a number of other countries. It is now active in more than 30 countries.

The seeds of Jesus Youth movement in Australia were sowed in the year 2004 when a few Jesus Youth migrated to Australia for their career prospects. Jesus Youth groups are presently active in Melbourne, Sydney, Brisbane, Adelaide, Perth, Canberra, Darwin and Alice Springs.

On 20th May 2016, Pontifical Council for the Laity (PCL, now Dicastery for Laity, Family and Life), Vatican presented to Jesus Youth a Decree of Recognition as an 'International Private Association of the Faithful, with Juridical personality'. In Australia, the movement is guided by Most Rev. Christopher Prowse DD, Catholic Archbishop of Canberra-Goulburn.
